

Beyond MY Years

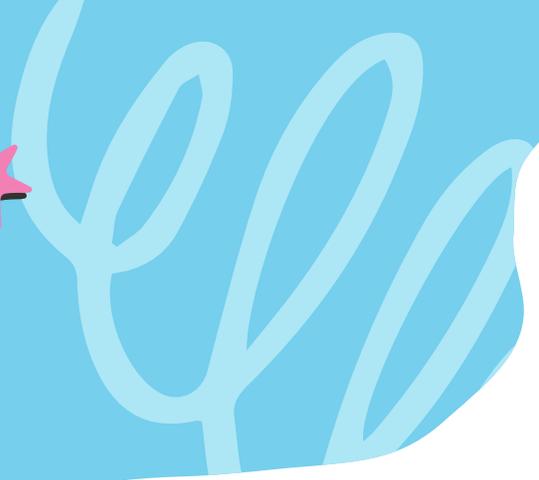

“The reality is that the **journey toward wisdom** in any career, especially in education, **has to be slow and steady.**”

Missy Testerman
2024 National
Teacher of the Year

Beyond MY Years

“A lot of times they are dependent upon you to teach them in every aspect of their life.

When you understand the community, you can serve.”

Joyce Abbott

Retired educator,
School District of Philadelphia
and namesake for the award-
winning “Abbott Elementary”

Beyond MY Years

“You’ve got to **love teaching**; you’ve got to **love the kids**; and you’ve really got to want to do it. Almost, dare I say, in your blood.”

Eric Jones

Longtime educator
